- 62 The SOPP and the Coalition for Patients' Rights: Implications of Continuing Interprofessional Tension for PNP

Linda L. Lindeke, PhD, RN, CNP, & Karen KellyThomas, PhD, RN, FAAN

Research

- 66 Protection of Children in Research

Rita H. Pickler, PhD, RN, PNP-BC, FAAN, & Alison T. Martin, MS, RN, CPNP

NEWS

- 9A Instructions for Authors

- 15A Information for Readers

- 17A NAPNAP Position Statement on Protection of Children Involved in Research Studies

- 19A NAPNAP Update

MISSION STATEMENT

The *Journal of Pediatric Health Care*, the official journal of the National Association of Pediatric Nurse Practitioners, provides up-to-date clinical information and research findings regarding primary, acute, and specialty health care for children of newborn age through young adulthood within a family-centered context. The *Journal* also disseminates multidisciplinary perspectives on evidenced-based practice as well as emerging educational, policy, and advocacy issues that are of importance to all pediatric nurses and health care professionals.
