Or you may call toll-free at 1-800-654-2452 Monday-Friday between 7:30am and 5pm CST. Callers outside of the USA and Canada should dial 314-447-8871.

### AIMS & SCOPE

The *Journal of Pediatric Health Care*, the official journal of the National Association of Pediatric Nurse Practitioners, provides scholarly clinical information and research regarding primary, acute, and specialty health care for children of newborn age through young adulthood within a family-centered context. The *Journal* disseminates multidisciplinary perspectives on evidence-based practice and emerging policy, advocacy, and educational issues that are of importance to all health care professionals caring for children and their families. For information regarding the submission process, please visit: <http://www.jpedhc.org/content/authorinfo>.
