Communication

Communications regarding original articles and editorial management should be addressed to Martha K. Swartz, Editor-in-Chief, Journal of Pediatric Health Care, Yale School of Nursing, P.O. Box 27399, West Haven, CT 06516-0972. Information for authors can be found at http://www.jpedhc.org/authorsinfo. Authors should consult these instructions before submitting manuscripts to this journal.

Customer Service (orders, claims, online, change of address): Please visit our Support Hub page https://service.elsevier.com for assistance.

Address changes must be submitted four weeks in advance.

Yearly Subscription Rates: United States and possessions: Individual $129. All other countries (prices include airspeed delivery): Individual $166. To receive student/resident rate, orders must be accompanied by name of affiliated institution, date of term and the signature of program/residency coordinator on institution letterhead. Orders will be billed at the individual rate until proof of status is received. Current prices are in effect for back volumes and back issues.

Further information on this journal is available from the Publisher or from this journal’s Web site (http://www.jpedhc.org). Information on other Elsevier products is available through Elsevier’s Web site (http://www.us.elsevierhealth.com).

Permission of the Publisher and payment of a fee is required for all other photocopying, including multiple or systematic copying, copying for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for non-profit educational classroom use.

Permissions may be sought directly from Elsevier’s Rights Department in Oxford, UK: Tel: (+1) 800-523-4069 x 3808; Fax: (+44) (0) 1865 853333. Requests may also be completed online via the Elsevier homepage (http://www.elsevier.com/authors/obtaining-permission-to-re-use-elsevier-material).

In the USA, users may clear permissions and make payments through the Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923, USA; phone: (+1) (978) 7508400, fax: (+1) (978) 7504744, and in the UK through the Copyright Licensing Agency Rapid Clearance Service (CLARCS), 90 Tottenham Court Road, London W1P 0LP, UK; phone: (+44) 20 7631 5555; fax: (+44) 20 7631 5500. Other countries may have a local reprographic rights agency for payments.

Derivative Works. Subscribers may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions. Permission of the Publisher is required for resale or distribution outside the institution.

Permission of the Publisher is required for all other derivative works, including compilations and translations.

Electronic Storage or Usage. Permission of the Publisher is required to store or use electronically any material contained in this journal, including any article or part of an article.

Except as outlined above, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the Publisher.

Notice. Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. To the fullest extent of the law, no responsibility is assumed by the publisher for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein.

Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
