Special Issue: The Effects of the COVID-19 Pandemic for Children and Youth with Special Health Care Needs

Guest Editor: Eileen Fry-Bowers PhD, JD, RN, CPNP, FAAN

The *Journal of Pediatric Health Care* will be publishing a special issue in March/April 2023 focused on the effects of the COVID-19 pandemic for children and youth with special health care needs (CYSHCN). The guest editor for this special issue will be Eileen Fry-Bowers PhD, JD, RN, CPNP, FAAN.

Original research, targeted literature reviews and clinical update submissions are welcome and will be referred for external review as indicated. Departmental submissions on the impact of COVID for CYSHCN describing pertinent case studies, professional issue topics, evidence-based approaches and strategies for health policy and advocacy are also welcome.

Submission instructions:

Please submit all manuscripts by September 30, 2022 through the [JPHC Editorial Manager system](#).

Submissions Deadline: September 30, 2022
